SUCCESS THROUGH TEAMWORK

7 November 2019

Our 'Grand' Recipes

Thank you for joining us last week for Grandparent's Day, when we illustrated some of your favourite recipes. Listening to the conversations about the ingredients and cooking procedures, disasters and unexpected successes with recipes was heart-warming. Comments like "That was great, great, grandma's recipe!" Then the explanation of who she was followed, it was a wonderful family time for everyone.

We also thank you for taking the time to give us some ideas for our future days, everything from bird-watching in the rainforest, making recycled items for a Christmas market again, to hands-on Maths challenges, to mention just a few. Everyone appeared to enjoy the morning tea, too.

Thank you to all the grandparents who had early starts and some distances to travel to be with us on this day. We particularly enjoyed this story and thought we'd share it with you.

It went something like this ...

Student: "Grandma can you come to Grandparent's Day at school please?"

Grandma: "Sorry I'm working, you'd have to write to my boss and ask if I can have the day off."

Challenge accepted! Armed with his persuasive writing strategies he set about writing to grandma's boss - with great success, as Grandma was with us for the day! In teaching we are always looking to relate classroom learning activities to the students' real world. In this instance it was a gold star!

What a great time the preschoolers are having here on their orientation days! They created their own 'I went walking' book to take home, featuring a favourite animal. Then it was outside to tackle the obstacle course. Challenges included walking on stilts, egg and spoon racing, walking on the balance beam, scoop and catching a ball.... The preschoolers loved joining the whole school at recess before going back to small school!! Next **Wednesday 13 November** is the last orientation day. The Parent Information (orientation) morning on **Thursday 14 November** commences at 10am followed by a morning tea catered for by the P&C.

My name is Megan and I have been a hairdresser for over 20 years. I set up my salon here in Chillingham after selling my business at Tweed Heads which I owned for over 10 years. Now that all my children are at school I feel it's time for me to expand my clientele, I offer a professional friendly service in a private air conditioned room. I use only industry professional products, with my passion being hairdressing. I look forward to seeing you soon.
