SUCCESS THROUGH TEAMWORK

21st March 2019

K/1/2 and all things new!

If you visit our classroom, you'll find it hard to believe that we have only been at school for 36 days this year! K/1/2 students are just great; keen as mustard and happy to have a go at any challenge.

Buddy Reading is in full swing and so are our Maths activities, hands-on matching and iPads games. Stay tuned for the record-breaking 'Make 100' time. Currently our time to beat is 8 minutes and 31 seconds! WOW is all I can say!

We are also discussing 'How families are similar and different' so over the next few weeks you can expect some extra activities to be completed at home, which I'll add to their homework books. Thank you in advance for your assistance with this unit of work.

VOLUNTEERS
don't necessarily
have the time;
they just have
the heart!

From the Principal's desk

Well we're back to warm weather again with the welcome relief of the afternoon storms, usually just as our students are boarding their buses!

The students have taken on the Premiers' challenges with gusto – the students have set their sporting challenge goals and are working towards achieving them every day... as they teachers watch them running laps. The teachers' challenge will be very similar to the students' – that will prove very interesting... watch this space! Our students have registered for the reading challenge.

Thanks you to all those who have volunteered to help out on Saturday. You will have received phone call from Megan. Attached is the roster for the day. Thank you again everyone we really appreciate your support. NOTE: if you are dropping items in on the day can you please do it early!

Each year our school's funding is allocated using the data collection site. This is where we enter the data you give us, usually at the time of your child/ren's enrolment. To ensure our funding is a fair representation of our needs, we need to ensure this information is up to date and accurate. Attached to this newsletter are the two Family Detail pages (taken from the enrolment form), along with an explanation sheet on how to complete them. I ask that all families please complete these and return them to school before **Wednesday 27th March**. I ask that this information be correct at this point in time. The funding data will be sourced in early April and it is extremely important that we have correct and up-to-date information. If you have any questions or concern please phone the school. Please note that all responses are confidential.

We have a new school photographer this year and school photos will be **Thursday 4th April**. Information packs will go home when they arrive.

We will be holding the annual cross country on **Friday 5th April**, weather permitting. It's great to see the students already practising.

Mrs Window will not be in the office tomorrow or Monday. She has asked that bank books still be brought in on Monday and she will process them on Tuesday when she returns.

My name is Megan and I have been a hairdresser for over 20 years. I set up my salon here in Chillingham after selling my business at Tweed Heads which I owned for over 10 years.

Now that all my children are at school I feel it's time for me to expand my clientele. I offer a professional friendly service in a private air conditioned room.

I use only industry professional products, with my passion being hairdressing. I look forward to seeing you soon.
