SUCCESS THROUGH TEAMWORK

23<sup>rd</sup> May 2019

### A Busy Week at C.P.S!

The STEMShare Robotics Kits are getting a thorough workout with all students creating pieces of work using the Ozobots and now experimenting with the other products. We would love to show you some of the work we have been doing so please keep some time free to visit on **Thursday 20th June** from **10.15** for an open classroom (more details to come).

"A small school with a big heart" says it all. Congratulations to Ballin, Timana, Ellie, Myah, Baylee, Caleb E., Henry R.N., Bejay, Willow, Chloe, Marley and Indi for representing our school so wonderfully at the district cross country. We are all so proud of you. Everybody dug deep and tried their best. It rained for Ballin and Timana's entire race but that didn't stop them from keeping great pace and making good time against some fierce competitors. Thank you to the family and friends who arranged to transport the students to the event and stayed to cheer them on.

Our Year 3 and 5 students are to be commended on their efforts and enthusiasm whilst sitting their four NAPLAN tests. For our school, it was a smooth transition from paper tests to online tests and we have now finalised everything.

### VISION STATEMENT

Our students are happy, literate lifelong learners. We empower them with the knowledge, skills and confidence enabling them to make a positive contribution to society. Chillingham Public School is a great school. Join us.

There is **NO** elevator to **SUCCESS**.  
You have to take the **STAIRS**.

There could not have been a more perfect night to hold our movie night. A little chill in the air meant we could snuggle up under our blankets and watch *SmallFoot* with our family and friends.

Our motivated SRC are organising a Mufti Day for **Friday, June 7** to raise money for Stewart House. "Each year 1,700 public school children in need visit Stewart House from many parts of N.S.W. and the A.C.T. During their stay, children are provided with optometric, dental and medical treatment as well as emotional support. Children in the care of Stewart House attend a specific purpose school onsite for 8 days of their 12-day stay. The N.S.W. Department of Education provides infrastructure and staffing support for this school. All other costs associated with the children's stay are met from charitable donations." For more information please see <https://www.stewarthouse.org.au>. Our S.R.C. is very excited to be organising this fundraising event and making a meaning contribution to a charity in our community. The S.R.C. invites every student at our school to participate in the day by bringing along \$3 in exchange for wearing mufti (free dress), receiving a free handball and participating in a student lead tabloid sport afternoon. The \$3 will be going directly to Stewart House. Please note that mufti dress for students must be appropriate for sporting activities as well as sun-smart. All students are required to wear their jogger shoes and school hat.

## From the Principal's desk

I hope you have all had a wonderful week as the chilly weather sets in.

Chilly weather and movies... what a perfect combo!

As you can see from the page above, we had a very successful Movie Night last Saturday. Thank you to all the families that joined us for the Movie Night at the Chillingham Community Centre. Lucky for us the weather was perfect, although a little chilly we could all get cozy and warm with our family and friends whilst we watched *Smallfoot*. Thank you to all the volunteers for your help on the night and to all families who donated for this event. We appreciate all your support. Once again, I'd like to say a huge thank you to all who came along to support the school during this fun event, it couldn't have been more of a success. As a school we raised \$807. Well done everyone!

Well done to all the Year 3 and 5 students who sat their NAPLAN last week. Students efficiently transitioned from paper to online testing, completing all four tests to the best of their ability. Results will come back in third term. Once again, well done to students involved for your active participation and positive attitude during last week.

Students have been getting creative using the OZobots and other interesting products with the STEMShare Robotics Kits. These have been a hit and we would love to show you the work your children have been doing so if you can free up some time on **Thursday 20<sup>th</sup> June** from **10:15**, we will be having an open classroom. We will send home more information closer to the date.

We're looking forward to the Preschoolers visiting us for some STEM activities on **Wednesday 29<sup>th</sup> May, 5<sup>th</sup> June 19<sup>th</sup> June and 26<sup>th</sup> June**. On **Wednesday 26<sup>th</sup> June** they will be joining K/1/2 with the Ozobots, our current Robotics kit. K/1/2 are very excited about sharing their skills with our visitors. Fun, fun, fun!

Congratulations to Ballin, Timana, Ellie, Myah, Baylee, Caleb E., Henry R.N., Bejay, Willow, Chloe, Marley and Indi for their amazing efforts at the district inter-school cross country meet. You should all be very proud of yourselves.

Just a reminder that Mrs Window is away for another week. Ms Ross will continue to relieve in her position in the front office.

We are having problems with our student banking portal. If families could please hold onto any student bank books until **Monday 3<sup>rd</sup> June** while we resolve the issue it would be much appreciated. The bank books that have already been handed into the office will be stored safely. Sorry for any inconvenience and it will be up and running shortly.

Year 6 are off to Wollumbin High School on **Thursday 6<sup>th</sup> June**. Students can catch the High School bus to and from Wollumbin. I hope you all have lots of fun experiencing High School life.

The SRC will be having a Muffi Day fundraiser for Stewart House on **Friday 7<sup>th</sup> June**. We will send home more information as the day gets closer.

I hope you all have a wonderful week.

"This is our first time hosting and not only do we feel like we have gained a daughter, we also gained a family, her family in Germany who we regularly talk to. It has been an amazing journey so far. The experience has not only been good for Mira, but also for our two little ones. They absolutely adore her and can see how much she adores them".

My name is Megan and I have been a hairdresser for over 20 years. I set up my salon here in Chillingham after selling my business at Tweed Heads which I owned for over 10 years.

Now that all my children are at school I feel it's time for me to expand my clientele. I offer a professional friendly service in a private air conditioned room.

I use only industry professional products, with my passion being hairdressing. I look forward to seeing you soon.
