SUCCESS THROUGH TEAMWORK

30th May 2019

C.P.S Welcomes the Preschool!

This week marks the beginning of our Pre-school Stem visits. On Wednesday, K/1/2 got creative with the Pre-schoolers, helping them use the Ozobots during the activities. K/1/2 were very excited and wanted to share the experience they had with our visitors.

On Wednesday I coded Ozobots with Lily and Leo. -

On Wednesday the Pre-schoolers came to the school so we could teach them the robotics. I was with Indi and Bella. It was actually at Chillingham Public School. It was before recess that we did the robotics, in the morning. We coded with pens for the Ozobots to read the code. Ozobots were heaps of fun. - Indi

On Wednesday the Pre-schoolers came over for a visit. We had one of the Pre-schoolers as our buddy. My buddy was Cooper. - Sapphire

From the Principal's desk

Another beautiful yet chilly week is upon us.

Winter is approaching fast. Don't forget to ensure your child/ren have a royal blue jacket or jumper in their school bag for the cooler mornings as the sun doesn't rise in our playground until 9:30-10:00. I would also remind you that students can wear their shorts under a pair of long pants so that when it does get warmer during the day they can easily take their long pants off.

The students are looking forward to showing you the work they have been doing with the STEMShare Robotics Kits over the past few weeks. If you can free up some time don't forget to mark your calendars for **Thursday 20th June** as we will be having an open classroom. We will send home more information closer to the date.

This week marks the beginning of our Pre-school STEM visits. On Wednesday, the Pre-schoolers joined K/1/2 in activities with the Ozobots, our current robotics kit. As you can read on the front page, our K/1/2 class were very excited to share their skills with our visitors and had lots of fun! We're looking forward to the Pre-schoolers visiting us for some more STEM activities on **Wednesday 5th June, 19th June and 26th June**.

Congratulations to Mrs Ward on her first grandbaby. Pippa Willow arrived safe and sound last Friday (Australian time). Nana Jan is quite besotted.

Just a reminder that our student banking portal is currently not working. If families could please hold onto any student bank books until **Monday 3rd June** and the ones that have already been handed to the front office are stored safely. The issue will be resolved shortly, sorry for any inconvenience.

Another friendly reminder that our Year 6 students are off to Wollumbin High School next **Thursday 6th June**. Students can catch the High School bus to and from Wollumbin. We look forward to hearing your stories about your day at high school.

The SRC will be having a Muffi Day fundraiser for Stewart House next **Friday 7th June**. Don't forget to wear your sunsafe mufti clothes, school shoes, school hat and bring \$3.

Make sure you rug up and have a wonderful week.

"This is our first time hosting and not only do we feel like we have gained a daughter, we also gained a family, her family in Germany who we regularly talk to. It has been an amazing journey so far. The experience has not only been good for Mira, but also for our two little ones. They absolutely adore her and can see how much she adores them".

My name is Megan and I have been a hairdresser for over 20 years. I set up my salon here in Chillingham after selling my business at Tweed Heads which I owned for over 10 years.

Now that all my children are at school I feel it's time for me to expand my clientele. I offer a professional friendly service in a private air conditioned room.

I use only industry professional products, with my passion being hairdressing. I look forward to seeing you soon.
