SUCCESS THROUGH TEAMWORK

### PRE SCHOOL VISIT

During our last STEM lesson with the Preschool we went on a fairy-tale adventure. Together we retold and role-played the story of Jack and the Beanstalk. Then magically a beanstalk sprouted in the classroom. Leaves have started to shoot as well.

Then came the STEM challenge!

Each group was supplied with 40 plastic cups and 20 cards. Their task was to create the tallest tower possible, to reach the giant's castle.

We had terrific designs with some successes, many failed attempts and heaps of fun. There is some homework (only if they're keen) to see if they can work out a better design for their next visit on Wednesday 19th June.

Then we'll see if we can get those golden eggs back safely from the castle!

## From the Principal's desk

What beautiful days we are having!

It's a little busy from now until the end of term.

Next week, Wednesday 19<sup>th</sup> June, the Pre schoolers will be here for another fun interactive STEM day. We always have a great time with them and are looking forward to the visit.

**Thursday, 20<sup>th</sup> June** is our Open Classroom morning, from 10.15 to 11am, for our students and staff to celebrate our achievements in creating some amazing robotic creations and coding skills. Anyone interested in having a look is invited to come in and explore, ask questions and use some of the equipment. We value this opportunity to showcase our efforts as we have all (from Kindy through to Year 6) been working hard on different projects. You are welcome to stay afterwards for a cup of tea and a biscuit. We look forward to seeing you then.

On **Friday, 21<sup>st</sup> June**, Mrs Mason, along with the Year 6 students, will be taking their annual track to Bornhoffen for a fun day of activities and skill building. Please read the attached note.

The following week on **Wednesday 26<sup>th</sup> June**, the Kindy and Year 2 students will be visited by the Dental Clinic where they will receive a free dental assessment.

This will also be the final Pre school STEM day with us for the term.

On **Friday 28<sup>th</sup> June** we will be holding our annual athletics carnival, weather permitting. The running, relay, shot put and discus will be held at the Chillingham Sports field, with the High jump and long jump being held here at school. Lunch this day will be a hot dog day!. More information will be in next week's newsletter. Students wear their sports colours – red or green with school hat and jogger shoes.

What a great day we had last Friday with our handball fundraiser. \$106 was raised for Stewart House. Students were involved with tabloid activities... thank goodness the rain held off.

A huge thank you to those who came along and manned the Residence on Sunday 9<sup>th</sup> June as part of the historical walk held in conjunction with the Chillingham Hall and Community Centre Markets, the shop, the Potter and the Banana Cabana. We had a few visitors come in to look through our school photo albums.

We would also like to thank Natasha who donated the unicorn which we raffled at the movie night and the markets last weekend. Congratulations Karen Andrews who won this wonder creature!

As you are aware, the Stewart House concert is **Tuesday 2<sup>nd</sup> July** (3 weeks) and it is being held at the Tweed Heads Civic Centre (beside the Tweed Heads Bowling Club). We have been allotted our tickets which is 30 for the matinee and 30 for the evening performance. That means that it will be one ticket per family. The **matinee tickets are \$5 each** - this is a great opportunity for grandparents and friends to watch the performance (there are always a lot more tickets available for this session). The **evening tickets are \$8 each**. At this stage we are allotting 1 ticket per family for the evening performance and if you require more can you please let Mrs Window know and we will put you on a wait list. Hopefully as we get closer to the event, there will be more tickets available and we may be able to source them from other schools. Please see the attached note.

Thank you to those students who have already brought their black socks in for our Stewart House Performance. If you haven't done so already, please give them to Mrs Mason as soon as possible. You will be able to take them home again after the performance.

The school photos have arrived and are with the newsletter. We welcome feedback.

Mrs Ward, Mrs Dean and Mrs Window would like to thank the P&C and students for the beautiful flowers they presented to them on Wednesday.

Vicki Roach  
Principal

## Canteen / P&C Notice Board

**The next P&C meeting is: Friday 4<sup>th</sup> July at 1.30pm**

Thank you to those who came along to the P&C meeting last week.

We would like to say thank you to Natasha for the wonderful Unicorn – we raised \$95 with the raffle ticket sales.

Thank you to those who helped on the weekend – it was nice to see people coming along to look at the school photo albums and memorabilia.

NOTE: On Friday 28<sup>th</sup> June, Athletics carnival day, hot dogs (including vegie dogs) will be the only item available for lunch at the canteen. A note will go home next week for orders.

## To the family & friends of Claire,

On Saturday the 22nd June we would love for you to join us for a planting day to honour & celebrate the incredible life that Claire lived. In the spirit of who Claire was this isn't a funeral, or a day for formalities & speeches. It is a day for us to come together, plant some trees in memory of our loved one, & then have a cuppa & some cake, just as she would've wanted.

It will be held at Chillingham Community Centre, a place that was very dear to Claire and she spent many days over the years helping to make it a place that the whole community could enjoy. The time will be from 10am- 12pm, with the planting being approximately 10- 11, with morning tea to follow. Address is 1469 Numinbah Road, Chillingham.

For the locals, please bring planting tools, a keep cup/mug, & a picnic rug. Plants & morning tea will be provided, however if you have a particular native plant that you would like to include, or a dish you would love to share, please feel free to bring them along.

With love,  
Claire's family

# RAISING RESILIENT CHILDREN

## *Building resilience and independence in our Children*

### **Your are warmly invited to this parent information evening**

Join us for a lovely evening together. We will be hearing from Zelinda Brown on resilience.

- Help children talk about coping and peer relationships
- Learn how to foster optimism in children
- Use language to help children to see a way forward through their difficulties
- Explore some resources and coping strategies for children

#### **About the speaker**

During her career Zelinda has had a diverse range of experiences both in the classroom and beyond. She has held school executive positions as well as had significant experience working in Pastoral Care roles in schools as a Head of House and Year Coordinator. She has also had significant experience working with special needs students.

Zelinda is passionate about building the resilience and well-being of children in her care and is keen to spread the Resilience Doughnut message.

My name is Megan and I have been a hairdresser for over 20 years. I set up my salon here in Chillingham after selling my business at Tweed Heads which I owned for over 10 years.

Now that all my children are at school I feel it's time for me to expand my clientele. I offer a professional friendly service in a private air conditioned room.

I use only industry professional products, with my passion being hairdressing. I look forward to seeing you soon.
