## Public School

SUCCESS THROUGH TEAMWORK

### Update on Premiers Challenges!

#### Premiers Reading Challenge

We are well over half way through the reading challenge. We already have two students who have completed the challenge and another six who are very close. The participation rate is already looking better than last year's. Let's get reading and break a Chillingham Public School record! Remember to see Mrs Mason if you have any trouble logging on or can't remember your log in details. And also remember that we have many of the list books in our Library to borrow. Just look for the P.R.C. stickers.

#### Premiers Sporting Challenge

Students are enthusiastically filling in their Premier's Sporting Challenge each morning before school to reflect the amount of physical activity they complete each day. They have also been joining in on Thursday morning's Fitness Frenzy and are consistently reaching our strength goal of 30 squats and 30 lunges. Keep up the great work students.

What goal can we reach next?

#### Premiers Spelling Bee Challenge

It's great to hear that students are participating in the spelling bee. Taking part in the Bee is a wonderful activity for any student wishing to extend themselves in spelling. To access the 2019 spelling lists, go online to:

<https://www.artsunit.nsw.edu.au/premiers-spelling-bee>

Select Junior Simple Word Lists for Year 3 and Year 4 students. Select Senior Simple Word Lists for Year 5 and Year 6 students. The password is **pizza**

There is also an annotated Junior and Senior Word List, but students are NOT tested on meanings only spelling.

The Bee will take place during Week 2 in Term 3, and four successful finalists will go through to the regional finals which happen sometime during Weeks 7 and 8 in Term 3.

Please contact Mrs Harper if you have any concerns or inquiries.

## From the Principal's desk

Winter has arrived – make sure you rug up well – our aim for 2019 is keep the flu out of the school! If your child/ren are not well, please keep them at home to recover.

It was nice to have the pre-schoolers here yesterday... excitedly doing STEM activities with the K, 1 and 2 students. Next Wednesday, 26<sup>th</sup> June, is their last visit for the term.

Thank you to everyone who came along to our open classroom this morning. We were very excited to show you some of the amazing coding and robotics we mastered over the past term. For those who couldn't make it, we will put some photos in next week's newsletter. We will be returning the kits to the STEM share Library this week.

The Year 6 students are excited about their day at Bornhoffen tomorrow, Friday, **21<sup>st</sup> June**. I'm sure we will have a great report and photos for next week's newsletter.

On **Wednesday 26<sup>th</sup> June**, the Kindy and Year 2 students will be visited by the Dental Clinic who will provide a free dental assessment of the students.

Next **Friday 28<sup>th</sup> June** we will be holding our annual athletics carnival, weather permitting. We will be leaving school at approximately 9.30, walking to the sports field (behind the Community Centre) to start events at 10am. This will involve shot put, discus, running and relay, there will also be some tabloid events for the sub juniors. We will walk back to school when these have finished for recess. The high jump and long jump will be held here at school after recess. Parents, friends and family are invited to attend this day. We are aiming for perfect weather!!! Lunch this day will be a hot dog day! Students wear their sports colours – red or green with school hat and jogger shoes. They will need sunscreen applied and a water bottle to take with them. NO face painting or coloured hair please.

See information below for the Stewart House concert tickets. **Thank you to those who have brought their black socks in for the concert. If you have not please do so on Monday, 24<sup>th</sup> June.**

On Wednesday, 3<sup>rd</sup> July, Year 3, 4, 5 and 6 students, along with other students from the small schools, will be going to watch Wollumbin High School MADDD concert put on by the Performing Arts unit at Wollumbin High School. The students will catch the bus to and from the performance. A permission note will go home next week.

ANZ's ongoing support of ANZ Tennis Hot Shots and in particular the School Partnership program has ensured all Kindy school students continue to receive a brand new 19" racquet. Since 2015, ANZ have provided 110,000 racquets to new school starters with a further 30,000 delivered this term! Our six Kindy students have taken their racquets home today. We hope these racquets encourage our students to move, have fun, play and be active in the community.

### A NOTE FROM THE SRC

The SRC have decided that it's a little cold for snow cones so we will not be selling them again until after winter. Instead, to keep fundraising, students will be running some fun games at lunch time on Wednesdays. The first game will be a target throwing game - 5 shots for \$1. Students who hit the target win a small lucky dip prize. Come and join the fun whilst raising money for our end of year excursion.

STEWART HOUSE CONCERT INFORMATION - TICKETING – we assume if you have not returned your note that you only require 1 ticket (which is 1 adult only) for the evening performance. If this is not correct, please contact Mrs Window immediately as we will need to source more tickets. There are a number of families needing/wanting extra tickets for the evening performance so we will try and source some from other schools. The good news is there are extra tickets available for the matinee at this stage.

My name is Megan and I have been a hairdresser for over 20 years. I set up my salon here in Chillingham after selling my business at Tweed Heads which I owned for over 10 years.

Now that all my children are at school I feel it's time for me to expand my clientele. I offer a professional friendly service in a private air conditioned room.

I use only industry professional products, with my passion being hairdressing. I look forward to seeing you soon.
