SUCCESS THROUGH TEAMWORK

BOOK WEEK!

Reading is our Super Power!

A huge thank you to Lisa Tiffen for presenting an engaging and informative session to all students on Monday morning. As you may be aware, Lisa is a local published author and illustrator of a series of children's picture books, so having her here was a wonderful way to kick off Book Week. During Monday's visit Lisa read "Grumps" (one of her four books about emotions), and discussed her inspiration for the characters and story-line. Lisa then went on to explain the processes involved in publishing a book as well as many great story writing and illustrating tips. Students participated in hands-on-activities designed to develop the use of descriptive language before completing an art activity where they drew a fictional character, thinking about the situation the character is in and what led to that situation.

Lisa's books can be purchased through her website where you can also find more information relating to herself and her books. <https://lisatiffen.com/>

QUOTE DIARY . . .

From the Principal's desk

The weather makes us feel we've relocated to Melbourne... 3 seasons in one week. The days are still perfect thought. Just over a week until spring!

Good luck Timana for tomorrow at the Far North Coast Athletics carnival.

The shade sales and equipment look sparkling new, thank you to the P&C for paying to have the sails and equipment cleaned.

On Monday afternoon we also had a touch football afternoon, which the students also loved. Touch football will be on again this Friday and next, then we move onto soccer.

On Tuesday afternoon our students had the opportunity to hear about Aboriginal Cultural Heritage in the Tweed Valley. Warren Phillips and Maurice Gannon from the Tweed Byron Local Aboriginal Land Council talked about the significance of Mount Warning to the Bundjalung people and the modern tools being used to record artefacts and places of cultural significance. Warren, a proud Bundjalung man, then played some didge (didgeridoo) and Maurice encouraged everyone to come forward and examine some tools used by local Aboriginal people in the past. Everyone enjoyed exchanging what they knew about Aboriginal Cultural Heritage.

The Year 5 students are very excited about their sports afternoon at Wollumbin High School next Tuesday 27th August. If any parent of a Year 5 student is able to help with transporting students to Wollumbin High School next Tuesday at 11am, can you please let your child know or phone the school. Thank you.

Mrs Dean has been helping the students prepare their speeches. There is only 1 WEEK left for students to practise. Please remember to continue practising at home so that you are confident and ready to present your speech. Students will be presenting their speeches in class time with the finalists selected in accordance with the set criteria. The winners from each stage will attend the Public Speaking finals at Tweed Heads South Primary School on Thursday 19th September.

The Father's Day stall is next Friday 30th August. Thank you to those who have already sent items in, if you haven't yet, can you please do so now.

Please note the change to the P&C meeting. It will be on Thursday 12th September at 1.30pm, everyone is welcome to attend

Selected students from Year 5 and 6 will be attending the Math Olympiad at Wollumbin High School on Thursday 5th September.

The Premier's Reading Challenge closes on 30th August - don't forget to log those books!

Is there anyone out there who has artist abilities? We are wanting to have the school murals, (Milton and Humpty) repainted as they are fading away. Can you help - or do you know of someone who could help us do this. We will supply paint and brushes etc. Please contact the school if you do. Phone 66791255

A HUGE thank you to Mrs Wong who will be in tomorrow on her last day of her practicum placement with us. We wish her well as she starts her rewarding career as a Primary School Teacher. It has been wonderful having her here and she will be sorely missed.

Vicki Roach
Principal

My name is Megan and I have been a hairdresser for over 20 years. I set up my salon here in Chillingham after selling my business at Tweed Heads which I owned for over 10 years.

Now that all my children are at school I feel it's time for me to expand my clientele. I offer a professional friendly service in a private air conditioned room.

I use only industry professional products, with my passion being hairdressing. I look forward to seeing you soon.
