SUCCESS THROUGH TEAMWORK

15 October 2020

Book Week 19 to 23 October

Book Week is finally here, set to run next week with the theme - "Curious Creatures, Wild Minds". To celebrate we have a number of fun activities planned for Wednesday, 21st October including: a fancy-dress parade, 'The Greatest Discovery' virtual incursion, a craft activity and a virtual Q & A session with a guest from the 'The Greatest Discovery' show.

Our fancy-dress parade will happen straight after morning assembly allowing all students to show off their costumes. Students are encouraged to wear costumes that relate to the theme and if they can match the costume to a book, bring the book along. Students are to wear their costumes to school and will remain in them all day. School hats and school shoes will need to be worn and outfits are to be comfortable and sun safe. Props or accessories can be kept in school bags as students will have time to put these on before the parade starts. This dress up day is all about participation and having fun - you will be amazed at what you can make from items you have at home. Please contact Mrs Mason if you have any questions or concerns.

In class, we have been looking at a number of the shortlisted books which you can find on the Children's Book Council of Australia site: <https://cbca.org.au/>.

Thank you in advance for your enthusiasm and support. The cost of the incursion is a subsidised rate of \$2 per student. **Please send the money to school Monday 19 October.**

From the Principal's Desk

Welcome back everyone, I trust you all had a very restful holiday.

We start the term with a few more 'return to normal' activities. We are now permitted to have excursions provided the facilitators have COVID-19 safety plans in place. We are looking into what we are able to organize this term. Orientations can again take place – we are in contact with the Pre School to see what their restrictions are. Presentation Days are yet to be confirmed. At this stage choirs are allowed with a maximum of 5 people. I think we will have to re think our Christmas Carols evening. We will send home more information as it comes to hand.

Next week is the greatly anticipated Book Week. The students will enjoy a full day of activities as you can see from the front page.

Mrs Dean has taken long service leave for this term and Mrs Bergquist will be relieving in her position. Mrs Dean will be retiring at the end of this year.

Mrs Mason is having a nice time with the students and the Robotics kit.. we look forward to what the students create and learn this term.

Attached to this newsletter is a 4 minute shower timer, for each student, from the Tweed Shire Council as part of the "Improve your water mindfulness' campaign. This is a great opportunity for students to learn to save water. See the Water Night flyer on the next page.

All students will be involved in Child Protection as part of the school curriculum this term with Mrs Bergquist, commencing in Week 3. If you have any concerns or questions please contact me here at school.

Attached to this newsletter is information regarding bus passes. If you have any concerns or question please contact Mrs Window.

Book Club orders need to be in before Wednesday 21 October please

My name is Megan and I have been a hairdresser for over 20 years. I set up my salon here in Chillingham after selling my business at Tweed Heads which I owned for over 10 years. Now that all my children are at school I feel it's time for me to expand my clientele, I offer a professional friendly service in a private air conditioned room. I use only industry professional products, with my passion being hairdressing. I look forward to seeing you soon.
