VISION STATEMENT

Our students are happy, literate lifelong learners. We empower them with the knowledge, skills and confidence enabling them to make a positive contribution to society. Chillingham Public School is a great school. Join us.

From the Principal's Desk

We are certainly blessed with perfect weather at the moment. How are the 4 minute shower timers going?

All students and teachers have settled back into school routine for this term. We, the staff, are still grappling with what can and can't happen and desperately trying to implement what we can to make sure we have a fun safe term, to end 2020.

Fantastic – that's the word that sums up the students yesterday. There seemed to be a lot of thought put in by students, possibly parents, towards costumes. The teachers were impressive also! Thank you to EVERYONE for your enthusiasm with this year's Book Week celebration. We started off our celebration with a fun parade, showing off our wonderful costumes. We had a wide range of characters including a variety of curious cats, wild scientists, Wilber's favourite spider, Charlotte and arch enemies, Batman and the Joker. Although you couldn't be in our audience this year, we are sure you will enjoy these wonderful photos on the front page.

Throughout the day students also enjoyed a recorded performance of "Our Greatest Discovery", a live streamed Q and A session with the show's two zestful performers and then a craft session where students worked in small teams to create some paper creature bookmarks to take home.

The excitement is growing in the K/1/2 classroom with the beginning of the Kindy 2021 orientations which commence next **Wednesday 28 October**. With the lifting of COVID-19 restrictions we are permitted to hold orientations day – yippee. Children who are commencing Kindergarten here next year, 2021 are invited to come to the school at 10am for activities with the K/1/2 students, have recess at 11 with all students and return to the pre school or home. Orientations will continue for weeks. Parent Orientation is **Thursday 12 November**

Repeat - All students will be involved in Child Protection as part of the school curriculum this term with Mrs Bergquist, commencing in Week 3. If you have any concerns or questions please contact me here at school.

By the end of 2020, but commencing 2021, parents will be able to do online enrolments. This is an exciting step forward for all schools, **eliminating** the need to complete the 16-page manual enrolment form. Parents/Carers will access the online enrolment through the school website (the desired school) and click on the enrolment tab. NOTE this will only be for new students coming to the school and will be operational early 2021. If parents are wishing to enrol students 'out of zone' they will need to complete a manual enrolment form.

My name is Megan and I have been a hairdresser for over 20 years. I set up my salon here in Chillingham after selling my business at Tweed Heads which I owned for over 10 years. Now that all my children are at school I feel it's time for me to expand my clientele, I offer a professional friendly service in a private air conditioned room. I use only industry professional products, with my passion being hairdressing. I look forward to seeing you soon.
