SUCCESS THROUGH TEAMWORK

29 October 2020

Kindy 2021 Orientation Day

Our first Kindy 2021 orientation day was a huge success. The children enjoyed a morning of robotics, coding the blue bots. We successfully coded and mapped a path from the pre school to school and around the playground and garden. We had some time in the classroom getting to know each other and our buddies. The pre-schoolers enjoyed recess and playing with the whole school before they returned to the pre-school.

Next orientation will be next **Wednesday 4 November**. Parents' orientation morning will be **Thursday 12 November** from 10am.

From the Principal's Desk

The rain was a welcome relief and very much appreciated.

I would like to thank the P&C for the wonderful morning tea and flowers. It was a lovely surprise to all of us.

I would like to thank all my wonderful staff for their dedication and enthusiasm in ensuring your children are taught in a nurturing, lovely, educational setting. I would also like to thank you, as parents, for entrusting your children to us. I can genuinely say that all our staff give 100 percent to being passionate teachers and instilling lifelong skills and values in your children. Thank you again everyone.

I would like to give you some proposed dates for your diaries for the end of term. Presentation Day (who knows what that will look like) will be Wednesday 9 December. Year 6 break up, fun day will be Friday 11 December. We will send home more details as they come to hand. We are also aiming to have some days of activities thought out the term. We are in the midst of organising an movie excursion to Murwillumbah with lunch in the park. A permission note will go home tomorrow with more details and will need to be returned to school by **TUESDAY 3 November**. In Week 6, (**Thursday 19 November**) we will be having a fun day and in Week 8 (**Monday 30 November**) we will be having a PE/dance activity. All of these need to be confirmed and are temporary dates.

By the end of 2020, but commencing 2021, parents will be able to do online enrolments. This is an exciting step forward for our all schools and eliminates the need to complete the 16-page manual enrolment form. Parents/Carers will access the online enrolment through the school website (the desired school) and click on the enrolment tab. NOTE this will only be for new students coming to the school and will be operational early 2021. If parents are wishing to enrol students 'out of zone' they will need to complete a manual enrolment form.

An advertisement for the 'Focus on New Fathers' program. It features a photo of a man holding a baby. The NSW Government logo is in the top right. A quote box says: 'Will I be a good dad?' is a common concern amongst new dads and dads-to-be. The main text reads: 'The Focus on New Fathers program provides a free text message based service called SMS4dads.' Below this, it lists 'Free tips, tools and links - directly to dad's phone' and explains the service. A 'You're eligible:' section lists criteria: being 18 or older, having a partner at least 16 weeks pregnant, or being the father of a child under 6 months old. A 'Registration is free and easy.' section includes a QR code and the website 'www.health.nsw.gov.au/focus-on-new-fathers'. A testimonial quote is also present: 'Just wanted to say thanks for this project. The text messages have been invaluable and I couldn't have known just how much I needed to receive these short and helpful messages.'

My name is Megan and I have been a hairdresser for over 20 years. I set up my salon here in Chillingham after selling my business at Tweed Heads which I owned for over 10 years. Now that all my children are at school I feel it's time for me to expand my clientele, I offer a professional friendly service in a private air conditioned room. I use only industry professional products, with my passion being hairdressing. I look forward to seeing you soon.
