SUCCESS THROUGH TEAMWORK

5 November 2020

We Are All Connected

This art work, called 'We Are All Connected', was created by every student at the fun activity day, organised by the SRC last term. The overarching theme is linked to the students' geography lessons this semester. Students thought of an individual theme for their own work and also ways that their paths could be connected to each other; by road, river, motorway, tree roots, tunnels etc. They have been really excited to see their work transform as, finally, the jigsaw pieces were joined to create our whole-school art work! The art work is hanging in the assemble area – come check it out!

Can you spot your child's work?

VISION STATEMENT

Our students are happy, literate lifelong learners. We empower them with the knowledge, skills and confidence enabling them to make a positive contribution to society. Chillingham Public School is a great school. Join us.

From the Principal's Desk

The rain was lovely last week and having sustained no damage was even better.

The students are all very excited about today's excursion to the movies – I am sure they are all enjoying the movie and lunch in the park.

2021 Kindy students had another fun day with us yesterday. Students were involved in a fun obstacle course encompassing all our playground... they were a little exhausted by the end of it. They enjoyed another morning of recess with our students and playing with them in the playground before returning to parents and pre-school. Next Wednesday 11 November is our last orientation day for the year. Parent orientation/information session will be on **Thursday 12 November** commencing at 10 am.

The students will commence a 4 week soccer program funded by the Sporting School program next **Friday 13 November**.

We have just been advised that we, Chillingham Public School, will be providing Before and After School Care (BASC) from the beginning of 2021. This is great news for local families who struggle with before and after school care for their children due to work commitments. We are looking forward to this exciting initiative.

The news of an amalgamated super school in Murwillumbah was a shock!. It will be sad to lose the small school structures that we have had in the past, but I guess it's a sign of moving forward. I'm sure in time, we will accept the coming changes and the new way we live.

My name is Megan and I have been a hairdresser for over 20 years. I set up my salon here in Chillingham after selling my business at Tweed Heads which I owned for over 10 years. Now that all my children are at school I feel it's time for me to expand my clientele, I offer a professional friendly service in a private air conditioned room. I use only industry professional products, with my passion being hairdressing. I look forward to seeing you soon.
