Perfect weather for a 'water fun day'

It was lovely to see all the Kindy 2021 parents last Thursday – thank you for coming along even though most of you have already been with us for a while! We appreciate your support. Thank you to the P&C for the lovely morning tea.

As you can see from the front page, the students enjoyed their fun morning of water activities. Thank you to the SRC for helping.

The end has come to our loan of the robotics; so next Wednesday 25 November all students will be involved in robotics activities between recess and lunch. They will get to use the robotics and see what other students have been doing with their robotics.

REPEAT Presentation Day will be **Wednesday 9 December**, starting at 10am – at this stage unless there are changes from the Department of Education. This year however, we are asking families to bring a shade cover for themselves and if you have a spare, for others who may not have one. You can put them up in the playground area facing down to the covered area where the students and teachers will be. Please come along earlier to set your shade covers up. All covers will need to be up before 10am. There will be no shared morning tea but we encourage you to bring a picnic morning tea for yourselves and your family. Santa will be making an appearance and distributing presents. PLEASE NOTE again – all of this may change if restrictions are brought back. This information is only to prepare you for the different format.

Please start to send items in for the Christmas Hampers – there are only 2 weeks left.

Attached to this newsletter are the absentee letters and family accounts for those who either need to complete absences or pay accounts. Please complete the absentee letter and return immediately. Absentee data is being collected on Monday 23 November. School accounts need to be paid before **Friday 27 November**. If you are having financial difficulties please contact the school so we can best assist you.

My name is Megan and I have been a hairdresser for over 20 years. I set up my salon here in Chillingham after selling my business at Tweed Heads which I owned for over 10 years. Now that all my children are at school I feel it's time for me to expand my clientele, I offer a professional friendly service in a private air conditioned room. I use only industry professional products, with my passion being hairdressing. I look forward to seeing you soon.
