SUCCESS THROUGH TEAMWORK

Seniors – They count!

You sure did count last Thursday, helping us with our Maths activities. It's always so much more fun learning through play, as we saw last week. We tried to show you the great variety of ways students can work with Maths. Many of them are easy to do at home too.

All the activities presented last week came from various 'learning outcomes' (goals) for our students to master. It is a process just like walking and talking; moving from a concrete stage using counters or fingers to assist students to eventually completing calculations in their head. As with all development, individuals move through this process in different ways in their own time.

Perfect weather!

We start the newsletter with great news this week – the canteen will be fully operational next week, the new lino is going in as I type this. Our new look play area is finished and will be in use from next Monday!! We are now only waiting for the Library to be re carpeted and a few areas in the playground to be filled in and we'll be back to being a beautiful little school again.

The School Evaluation is **Thursday 19 March**. There has been a lot of time and effort put in to perfecting our evidence to PROVE we are doing a great job!

Congratulations to all our new office bearers, we look forward to another successful year. Please read the P&C & Canteen Notice Board (next page) for details of last week's AGM and General Meeting.

The Year 3 to 6 enjoyed their morning with the Year 7 students, Mrs Connell and Mrs Quantrill from Wollumbin High School. It was great to catch up with Myah and Ballin who are loving high school.

The whole school will be going on an excursion to Brisbane to the Queensland Museum on **Wednesday 1 April**. The bus will leave the school very early and return late. More information will be sent home as time gets closer.

This year we will be trialing a new way of taking the school photos. An opportunity arose at the end of last year for small schools to be involved in. We will be taking advantage of this and we will have a positive outcome. It appears that the cost will be extremely reduced.

The school has been approached by a community member in Chillingham offering non-denominational religious education. If you are interested in having your child/ren attend, instead of ethics, please contact the school (66791 255) on or before the end of school Monday 2 March.

There have been reports of headlice. Can everyone please make Friday night the 'check and act' night and again on Sunday night.

Canteen / P&C Notice Board

The next P&C meeting is:... 12 March at 1.30pm

Congratulations to all our new office bearers. They are as follows:

President: Megan Vice Presidents: Simone and Rosalie Treasurer: Zen
Secretary: Erika Canteen Manager: Erika Uniform Co-Ordinator: Lauren

The canteen is going to have a bit of an upgrade. We are going to resurface the bench tops, paint the walls and restock with all new containers..... This will be ongoing and hopefully not too disruptive to the canteen running.

Fundraising in 2020 will consist of the Easter and Christmas Raffles, Mother's and Father's day stall and possibly a BBQ breakfast at the markets.

If you have any ideas or would like to make any suggestions please feel free to come to the meetings or send something in writing if you prefer.

We apologise for the canteen menu tomorrow, but thought it better to have a reduced menu than not one at all. Hopefully we're back to full canteen operations next week.

My name is Megan and I have been a hairdresser for over 20 years. I set up my salon here in Chillingham after selling my business at Tweed Heads which I owned for over 10 years.

Now that all my children are at school I feel it's time for me to expand my clientele. I offer a professional friendly service in a private air conditioned room.

I use only industry professional products, with my passion being hairdressing. I look forward to seeing you soon.
