SUCCESS THROUGH TEAMWORK

25 March 2020

Great outcome from Evaluation!!

Our day began with Mr Ross, Mrs Wilson and Mrs Johnson arriving at school, being greeted by both Ellie and Timana. Mr Ross spent time in both classroom listening to students read their gratitude statements. He was very impressed with the quality of the students' work

He was also impressed with our students' behaviour and manners. Mr Ross commented on our beautiful school grounds and the all over appeal and feel of our small school.

The evaluation of the school was very positive with lots of positive feedback.

We were commended on the high quality of the specific areas that were evaluated. These included learning, well being, teaching practices, high expectations, quality assessing and reporting procedures and excellent management of our teaching resources.

Here are the results of what has been a very long 8 months.

We are Excelling in Student Learning

We are Sustaining and Growing (achieving great things) in Teaching and Leading.

These few sentences don't look like much but they mean a LOT. We, students, staff and school are moving forward in a positive direction. This has been and will continue to be achieved by our dedicated staff, students, families and community.

A huge thank you to everyone for supporting us and helping us achieve such a great result.

From the Principal's desk

On a positive note... the weather is perfect!

This is an early newsletter. As the week goes on the student numbers dwindle. More and more and cancellations are being forced upon us so I thought we'd do an early newsletter instead of daily notes going home. It's getting to the stage where things are changing by the hour so we are attempting to put the changes on the school website as they happen.

The school photos have been sent off and hopefully be returned for early next term.

Here are list of things now cancelled:

- The auditor... yippee (says Mrs Window)
- Slushies will finish after today!
- The canteen operations have been cancelled for the rest of the term... so no more canteen. Students will need to bring their lunch and recess everyday now.
- Gymnastics
- Cross country
- Anzac Day service
- Easter Hat parade
- Easter Raffle (tickets and money are attached to this newsletter for those who have sent them in. If you have donated an item, please come and collect it or phone Mrs Window and she will give it to your child/ren to bring home 😊)
- The P&C meeting
- Sporting events for Term 2 (District Cross Country..)

I think that's all..... at this stage.

With the cancellation of the Brisbane excursion and for those who have paid and would like their money back. Please complete the attached form and return it to Mrs Window. If you do not want the money back, your account will remain in credit for the next excursion.

As we said on the note home yesterday, the school remains open and the teachers, Mrs Window and Mr Prestwich will continue working here until otherwise notified.

The most important message is: **If your child/ren are at home they are expected to continue with their education.** This is done through the Department of Education website <https://education.nsw.gov.au/>. All teachers are learning online training in the event that it will be needed next term.

Keep safe everyone, please check daily on the school website for updates.

Canteen / P&C Notice Board

The next P&C meeting is:... to be advised

Please note that the P&C meeting set down for Thursday 9 April has been cancelled.

It is extremely disappointing that we have had to cancel the canteen. We will await advice as to when we will reopen.

Money and donations will be returned to families for the Easter Raffle.

We are still going to re apply to have the school certified as a Healthy Canteen.

Thank you for your understanding everyone – take care of yourselves... we'll see you at the end of this 'event'.

My name is Megan and I have been a hairdresser for over 20 years. I set up my salon here in Chillingham after selling my business at Tweed Heads which I owned for over 10 years. Now that all my children are at school I feel it's time for me to expand my clientele. I offer a professional friendly service in a private air conditioned room. I use only industry professional products, with my passion being hairdressing. I look forward to seeing you soon.
