## Public School

SUCCESS THROUGH TEAMWORK

### From the Principal's Desk

Welcome back everyone and welcome to our new way of learning... hopefully not for too much longer.

It was lovely to see everyone's smiling faces on Tuesday morning at our first online school assembly. We had a few glitches but predominately we are all doing well. A huge thank you to parents for your help and support in getting your children online.

Please remember at the moment that some of the internet providers are offering extra data at no charge if you feel you need more. We are streamlining our lessons so that they are only half an hour long to help prevent unnecessary usage of data. By now, all students should have their timetables and be working accordingly. They need to come to their lessons prepared with the books, pens etc they need. It would be lovely to see all students in uniform, or at least the school shirt.

There are two things that are very important that need to be addressed.

1. The school roll is marked at 9.30am every morning, so ALL students need to be online or the school needs to be contacted before 9.30am if your child/ren are not going to be attending online classes that day.
2. When students are online there is to be no personal online chat unless advised by the teacher. Good morning to one another is enough. Students are able to talk to one another through other means before or after their lesson.

If you are unsure please go to the school website: <https://chillingha-p.schools.nsw.gov.au> for up-to-date information. NOTE: We will be posting the newsletter on the website **only** until school resumes as normal.

If you have any concerns or questions please contact the school. Thanks again everyone for your dedication to having your child/ren online and learning.

As you may be aware, at this stage, all sporting events, excursions, incursions etc are not permitted this term.

Vicki Roach  
Principal
