SUCCESS THROUGH TEAMWORK

21 May 2020

All students return to school Monday 25 May

From the Principal's Desk

What fantastic news... all students return to school on Monday 25 May. I can see the sadness in your faces! Please read the attached information sheets from the NSW Department of Education.

We look forward to settling into the new form of normal. We would like all students settled back into classes and learning as soon as possible. Please ensure they bring back the book packs and worksheets they have at home. There are still a number of things that won't be happening.. Small School sports, Sporting School programs, P&C meetings, community gathering..... But we are happy just the same.

It is extremely important that parents adhere to the Department of Education and Training's guidelines. Students who are not feeling well need to be kept at home until they are well and able to attend school again. This is in order to minimise the spread of any virus. If a student falls ill at school they will be sent to sickbay and parent/s will be phoned to collect them immediately. If we are unable to contact you, the emergency contact will be phoned and asked to pick up the student immediately from school. PLEASE ensure all emergency contacts are up-to-date. Can you please ensure your child/ren have jumpers/long pants in their school bags as we're having some cooler days. In accordance with the DoE Guidelines, students are to bring their own drink bottles to school and NOT use the bubblers.

Whilst the students have been coming and going, the library has been finished and will be back up and running on the students' return. Mrs Mason even painted a wall to brighten it a little. Well done Mrs Mason.

The canteen can start operating again. This will happen on Friday 29 May. There will be no Sushi this term. A new menu is attached to this newsletter.

The Department has assigned another casual teacher, Mrs Bergquist to our school for the rest of the term which is going to be lovely. Lots of learning coming your way students!!

I would, once again, like to thank you for your persistence in home schooling your child/ren. You have done a wonderful job!!

Vicki Roach
Principal

IMPORTANT DATES

25 May Monday

All students return to school

29 May Friday

VISION STATEMENT

Our students are happy, literate lifelong learners. We empower them with the knowledge, skills and confidence enabling them to make a positive contribution to society. Chillingham Public School is a great school. Join us.

**Alone we are smart.
Together we are
brilliant.**
