SUCCESS THROUGH TEAMWORK

23 July 2020

ANIMAL PROJECTS

Last term the Year 3/4/5/6 students completed their Science and Technology animal projects. All students chose an animal to research and wrote an information report presented as a PowerPoint. The Year 3/4 students presented their dynamic PowerPoints to our K/1/2 students. The younger students were thoroughly engaged and full of thoughtful questions which were promptly answered by the capable Year 3/4s. The Year 5/6s made a crafty 3D enclosure which, along with their information report, they showed to the entire school. All students should feel very proud of their projects.

TODAY
is the day to
learn something
NEW

From the Principal's Desk

Welcome back everyone. What perfect winter weather we get to start the new term with. It is planned that all students will hopefully attend a full term this term, fingers crossed.

All staff returned to school on Monday and were involved in a professional development day which commenced with a live stream with Mr Murat Dizdar, Cathy Brennan, Sarah Mitchell and Mark Scott. The discussion centered around what to expect in Term 3. The biggest difference being, at this stage, we can now participate in sporting activities, Ethic lessons, incursions and P&C meetings can re-commence. The hygiene policies remain in place and all persons need to stay respectful of social distancing.

Of course, the big repeat is PLEASE keep your child/ren home if they are unwell and let them fully recover before sending them back to school. This term is known as the flu term and we do not want to be a part of it! Please ensure your phone numbers and emergency contacts are up to date so we can contact you if need be.

I just want to repeat the carpark issue from last term so we start the new term fresh and informed. Thank you to those who have adhered to the following already.

- Cars are NOT to double park – parents can park across the road and use the pedestrian crossing which is a much safer option.
- If you are not in a hurry, students can go down with the bus lines and you could wait there to collect them.
- **Children need to be supervised at all times.**
- I would like to encourage parents to consider sending their child/ren to and from school on the bus. The buses are a safe option and cover all areas of Chillingham and surrounds. Travel is free and staff are happy to help organise the pickup and drop off times for you if need be.

Unfortunately, if there are no changes to what was carpark mayhem last term, we will be closing the school gates and all parents will need to park across the road from the school when collecting their children. PLEASE BE MINDFUL of those around you and where your child is.

Parent teacher interviews commence next week. The note was sent home on Tuesday. Please return your interview slip promptly so we can best accommodate you. If you have concerns regarding available times, please phone the school so we can help.

Mrs Dean is on leave this term and Mrs Bergquist will be her replacement.

Education week is Week 3 and this year's theme is 'Learning Together'. It's a theme that reflects an incredible year for NSW public school students, staff and parents, and the partnerships that have been strengthened in response. This Education Week, we embrace the whole NSW public education community, highlighting the achievements of local schools and the role of public schools as the cornerstone of their communities.

As part of Education week, we will be having our annual Book Fair. The excitement for our annual Book Fair is building! Given the success of last year's extended Book Fair and current government guidelines, the Book Fair will run all week (Monday 3 August to Friday 7 August). Parents, family and friends can visit the fair in the school library whenever they have time during that week to purchase books or browse. The students have a promotional flier with information on payment options. Next week the students will visit the library and look through the books and stationery for sale. They will then complete their 'wish list' to take home. When you come in during Week 3, if the library is shut please go to the office and see Mrs Window. Remember you will need to sign in.

The Premier's Reading Challenge is close to ending. Please support your child/children to log books on the site via the student portal. See Mrs Mason if you need support.

A reminder from the SRC- hot chocolates will start again **next Wednesday** - \$1.00 per cup, YUMMY!

The next P&C meeting will be held on Thursday 13 August at 1.30pm. It will be lovely to see everyone and maybe some new faces.

My name is Megan and I have been a hairdresser for over 20 years. I set up my salon here in Chillingham after selling my business at Tweed Heads which I owned for over 10 years.

Now that all my children are at school I feel it's time for me to expand my clientele. I offer a professional friendly service in a private air conditioned room.

I use only industry professional products, with my passion being hairdressing. I look forward to seeing you soon.
