SUCCESS THROUGH TEAMWORK

6 August 2020

### EDUCATION WEEK

What a great week we've had, thus far, with the Book Fair. Thank you to all families for your ongoing support with our book sales and your kind book donations. We are very appreciative of your generosity. Mrs Mason will give us the final tally after Friday.

If you have been in the school you will see the displays around the school by the students. The 100 years from last week is displayed in the assembly/pick up area. Very interesting to see what some of our younger students are aspiring to.

The winners of the 'Arctic Adventure' poster competition were Brett, Marlee and Timana, each receiving a \$15 gift voucher to spend at the Book Fair. Congratulations to you all, it was certainly a tough decision - there were some great posters made.

As part of Education Week, all students watched a live stream hosted by The Department of Education on Wednesday at noon. The film was a collection of short films created by students and was thoroughly enjoyable. If you wish to watch a recording of this, head to:

## From the Principal's Desk

Ahh the beautiful winter weather continues.

Please continue to be vigilant with your child/ren's health. Thank you to those who have been keeping their child/ren home when they have not been feeling well. 'We have a flat curve'.

This week is Education Week and we have enjoyed parents, friends and relatives dropping in to look at work displayed around the school and to browse through the Book Fair. If you are not able to come in tomorrow and would like to look through the books please phone the school so we can make other arrangements for you.

The students enjoyed their first week of the NRL sporting program, especially when they realized the coach was an ex Penrith player.

The students and teachers have commenced the Premiers Sporting Challenge... we are tracking the runs we do daily/weekly. We are also monitoring our improved fitness from our tests (beep test, plank hold, timed skipping and timed jogging) This is a great way to encourage more movement at school and at home. I'm sure there's only going to be improvements!!

The Year 6 students enjoyed their orientation day at Wollumbin High School on Tuesday, though they say they are happy to stay here a little longer.

On an extremely disappointing note there will be no ball games this year. It was put to a vote by the small schools and in-light of what's happening with the COVID-19 situation the decision was made to cancel it for 2020. We are very disappointed by the decision but need to respect a majority decision.

On Thursday, 13 August, we will be holding our P&C meeting at 1.30pm. Everyone is welcome to attend and we would love to see you.

We are taking enrolments for 2021. If you know of anyone who may be interested please ask them to contact the school. If you are the parent of a child for Kindergarten 2021 can you please let Mrs Window know so she can send home an enrolment form. At this stage Kindy 2021 orientation is planned for Term 4.
