Success through Teamwork

28 October 2021

ROBOTICS

Congratulations to our talented Year 3 and 4 students. Your Bee Projects were fantastic and the K/1/2 students loved coming to watch you present them. You worked hard to research and then write descriptive texts about the parts of the bee, the life cycle of a bee and other bee related information. You then recorded yourselves reading your work, used the Scratch 3 app to code your recordings and then you used a Makey Makey kit to create a circuit so that when someone pressed a button on your poster they would hear your recordings. You decorated your posters independently and presented a masterpiece. What an epic effort over the past term, integrating science, digital technologies and English.

We can't wait to see what the Year 5/6 students present next week.

VISION STATEMENT

Our students are happy, literate lifelong learners. We empower them with the knowledge, skills and confidence enabling them to make a positive contribution to society. Chillingham Public School is a great school. Join us.

From the Principal's desk

It is with a sad heart that we say farewell to Mrs Window. Mrs Window has been our loyal School Admin Manager for 19 years here at Chillingham! We wish her all the best for what ever the next chapter in life holds.

On **Thursday 4th November** from **4pm – 5pm**, we are having an afternoon tea for Mrs Window at the Community Centre – to show her how much we appreciate all she has done for us over the last 19 years.

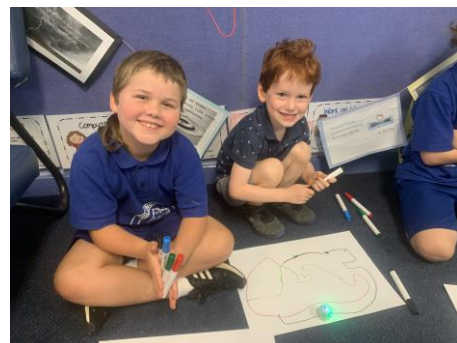

We would like to compile a book of messages for Paula, so please either bring a handwritten note to her or be prepared to write one on the day. Hope to see you there.

Unfortunately with the bad weather on Monday, we didn't have an assembly to present any awards. Awards will be held over until the next assembly.

Today we had our 3rd Kindy orientation morning. So much excitement with our current Kindies showing our 2022 Kindies around the school with such care. The K/1 students were also thrilled to show the pre-schoolers their Ozobot coding skills as they used the robots to move over premade paths full of colour codes.

Please check your child's hair as we have had a report of headlice.

My name is Megan and I have been a hairdresser for over 20 years. I set up my salon here in Chillingham after selling my business at Tweed Heads which I owned for over 10 years.

Now that all my children are at school I feel it's time for me to expand my clientele, I offer a professional friendly service in a private air conditioned room.

I use only industry professional products. With my passion being hairdressing, I look forward to seeing you soon.
