

Chillingham Public School

Success through Teamwork

4 November 2021

Year 5/6 Robotics

It was wonderful to watch the Year 5/6 students present their STEM projects to peers and teachers. The students showed skill and effort as they proudly presented their interactive informative posters, read their Bee Waggle Dance procedures, and switched on their carefully designed and coded robots. Here are a few photos of the wonderful displays.

This marks the end of our robotics units so we will be retuning the kits to the STEMshare library. We are however, delighted to inform you that we have purchased a Makey Makey kit, 6 Dash Robots and a set of Blue Bots for the school. This means these devices will be on hand for teachers to support learning across all key learning areas!!

creativity. The more
you use, the more
you have."**

From the Principal's desk

Don't forget our afternoon tea this afternoon from 4pm – 6pm for Mrs Window. I'm looking forward to seeing you there. Mrs Window has been an integral part of the Chillingham community for more than 19 years and is going to be very sorely missed. We're hoping she'll come back and grace us with her presence from time to time next year. This is your opportunity to show her how much she means to all of us. Please remember to bring your notes and letters to Paula. If you forget, you can send them to school so we can bind them into a book for her.

More exciting Robotics is happening in our school. Yesterday the 5/6 students had their turn and created some amazing coding, resulting in waggle bee dances. You saw some of them featured on the front page.

Today we had our last Kindy orientation and our Kindy parent orientation will be held on **Thursday 11 November** at the Community Centre at 10am, followed by our final P&C meeting for the year at 1:30pm.

REMINDER – all visitors will need to go to the Administration Block and sign in – this is a mandatory requirement by the Department of Education and NSW Health. You will need to use the Service NSW School Visitor Check-in app. If you have no mobile service, you will need to check in using a webform – again located at the school office.

If your child/ren is feeling unwell please keep them at home.

GET CREATIVE WITH A CREATIVE KIDS VOUCHER

The NSW Government is helping kids get creative with the new Creative Kids program.

Parents, guardians and carers can apply for a voucher with a value of up to \$100 per calendar year for each student aged 4.5 to 18 years old enrolled in school.

The voucher may be used with a registered activity provider for registration, participation and tuition costs for creative arts, speech, drama, dance, digital design, coding, and music lessons and activities.

The voucher can be used at any time during the calendar year it was issued.

To use the voucher, give the details to your [registered activity provider](#).

The program runs year-round, so kids can get creative at any time.

My name is Megan and I have been a hairdresser for over 20 years. I set up my salon here in Chillingham after selling my business at Tweed Heads which I owned for over 10 years. Now that all my children are at school I feel it's time for me to expand my clientele, I offer a professional friendly service in a private air conditioned room. I use only industry professional products, with my passion being hairdressing. I look forward to seeing you soon.
