

Chillingham Public School

Success through Teamwork

4 November 2021

Sidney Nolan comes to Chillingham!

The Year 3,4,5 and 6 students have just completed a collage in response to studying the Australian artist Sidney Nolan's paintings: the Ned Kelly Series.

During their artmaking, students learnt about the story of Ned Kelly and studied and practised some of the features of Sidney Nolan's painting such as: using simple, black shapes for armour, using golds and blues to convey 'outback' landscape and creating emotionally expressive landscapes, gestures and eyes to express Kelly's different moods. Students also practised drawing techniques and working with mixed media. They were all pretty pleased with their final artwork.

REMEMBRANCE DAY

From the Principal's desk

Despite a bit of wet weather, the days are remaining warm and we are looking forward to another surprise Rewards Day next Wednesday 17th November. Details of the Rewards Day is attached. Please return your child's note and money by next **Monday 15th November** to enable us to collate and purchase goods ready for Wednesday.

As we are half way through Term 4, things start to get busy. Please read the weekly Newsletter to ensure that you are aware of upcoming important events. We also appreciate your help in ensuring that your child's/ren's uniform and shoes are correct for the school day.

Today was our Kindy Parents' Information Session and we enjoyed getting to know the new families joining our school community. WELCOME! Tomorrow is also our last P&C meeting for the year and we welcome our new families with open arms. Thank you.

As from Monday 8th November a range of new activities are allowed in NSW Public Schools. Fully vaccinated volunteers and providers will now be allowed on site to support school operation and fulfill specific roles. We remind **all visitors** that they will still need to go to the Administration Block and sign in using the Service NSW School Visitor Check-in app and will also be required to provide proof of double vaccination – this is a mandatory requirement by the Department of Education and NSW Health.
