## PE/Dance Afternoon

## Library

Please return ALL Library and Home Reading books to school, so we can finalise our end of year Library reports.

## Thank you

I would just like to say a quick thank you to the wonderful students, parents, staff and community of Chillingham Public School. All of your lovely words, best wishes and support have been well received and appreciated. I have lots of mixed emotions this week, but the overriding one is excitement as my husband and I start the next part of our lives! I can't wait to meet my little boy and will be sure to pop back in say hi to the students as soon as we are ready. In the meantime, I will miss you ALL very much. Stay safe, enjoy life and see you soon. Suzy Mason.

## From the Principal's desk

As we are nearing the end of the year, things are starting to get busy! Please take your time to read the newsletter to ensure that you and your child/ren know about the upcoming events.

We remind parents that it is a NSW Health and Department of Education requirement that you need to be fully vaccinated to enter the school grounds and that face masks are to be worn. When dropping off or picking up, please do not congregate in the school grounds or outside the school gates. Please adhere to these guidelines imposed on us all.

On Monday we had an exciting PE/Dance afternoon. Everyone jittered and bugged to tunes such as the 'Macarena', 'Time Warp' and an all time favourite 'Schools Out' while prizes were won for innovative, enthusiastic dancing, plus 'Freeze and Bob' and 'Montecarlo' games.

A reminder to Year 6 students: Wollumbin High School will have their final orientation day next **Tuesday 30 November**. Students can catch the high school bus to and from school. A general information booklet will be given to your child at this transition day.

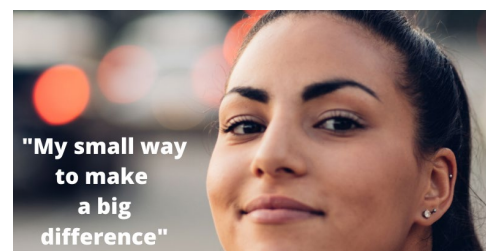

A reminder that our Graduation and Awards Ceremony will be held on **Wednesday 8 December**, starting at 10am. For parents/caregivers who are unable to attend we are going to zoom the ceremony. You can access the ZOOM Teams meeting through your child's student portal (the same as during our Home Schooling during lockdown).

Tickets are attached for the Christmas Hamper raffle. They are \$2 per ticket and will be drawn at our Graduation and Awards Ceremony **Wednesday 8 December**. Please send tickets and money in by **Monday 6 December**.

## Come teach ethics at Chillingham Public School

We have a successful ethics program at Chillingham Public School with lessons delivered by Primary Ethics volunteers.

Ethics lessons are now offered to students in years K – 6. In ethics, students explore everyday issues suitable for their age. They learn to listen closely to each other, to disagree without putdowns and to think carefully as they form their opinions. In 2022, we need more volunteer ethics teachers so that we can continue to provide ethics classes for all the children.

You can teach ethics if:

- You're interested in what children think and you have an interest in learning
- You're willing to learn how to use our lesson scripts to ask children ethical questions
- You can remain neutral and give the children space to think
- You're available each school week at 9am on Thursdays for 40 minutes of class time.
- You'll need about an hour each week to prepare and give the scripted lesson.
- You complete our free training and pass background checks.

You will join a great community of Primary Ethics volunteers – at Chillingham Public School and across NSW. You'll have the rewarding opportunity of listening to the fantastic students at our school and helping them grow. You'll develop new skills yourself – facilitation skills, plus skills in communication and active listening.

Primary Ethics provides free, comprehensive training with online self-paced learning plus trainer-led workshops (by Zoom or face-to-face).

The raffle will be drawn Wednesday 8 December at our Graduation and Awards Ceremony. Raffle tickets are attached to this newsletter.

Reminder: To all our wonderful volunteers, you need to be fully vaccinated to be able to come along to meetings and/or volunteer as a helper in the canteen (you are still able to provide cakes/biscuits etc unvaccinated 😊).

## Jobs for Local Electricians

The LED Lighting Upgrade Program needs local electricians to install upgraded lighting at our school and potentially others in our local area. The Department is hiring electricians to do this work right now.

If we have electricians in our school community, register for the Local Trades Scheme, which is where jobs are posted. Registration is free.
