Success through Teamwork

Bubble Wrap Beehive

We have been learning about the important part Bees play in our environment. Year 1 and 2 students loved creating this 'Bubble Wrap Beehive' artwork. We started by drawing a detailed bee using shapes and different qualities of line. To really make our artwork stand out, we added colour using pencils and a cool printmaking technique using bubble wrap to create a honeycomb effect.

Graduation & Awards Ceremony

Our Graduation and Awards Ceremony will be held on Wednesday 8 December, starting at 10am. For parents/caregivers who are unable to attend, we are going to zoom the ceremony. Attached to the newsletter this week, are the steps to get onto the ZOOM meeting (the same as during our Home Schooling during lockdown). To make sure our Graduation and Awards Ceremony runs as smoothly as possible, we would like to have a 'practice' ZOOM teams meeting on Monday 6 December at 2:30pm. This is only for the parents/caregivers who will not be attending our Ceremony onsite. If you have any trouble getting onto the teams 'practice' meeting on Monday 6 December at 2:30pm, please contact the School and Mrs Bergquist will be able to talk you through it.

From the Principal's desk

Well we are fast approaching Christmas with only two and a half weeks to go! Remember that we have our Graduation and Awards ceremony next **Wednesday 8 December** starting at 10am. Parents/carers who are unable to attend because they are not double vaccinated can watch via Microsoft Teams. We will be having a practice zoom of our assembly next **Monday 6 December** at 2.30pm. If you are unable to attend next Wednesday and intend on watching via the zoom, please do try your connection at Monday's trial zoom, as come Wednesday, staff will NOT be able to assist with any technical difficulties.

On Tuesday, our Year 6 students attended their 2nd Orientation day at Wollumbin High School. Despite the wet weather, students enjoyed the experience and are eagerly looking forward to the next chapter in their schooling.

This coming **Saturday 4 December** Chillingham Public School has been identified as a polling place for the Local Government Election for 2021. The school will be open for voting on Saturday from 8am to 6pm.

We have been informed that the Commonwealth Bank is closing its School Banking program. The last day to deposit through School Banking is **Monday 6 December**. Please see their statement below.

We understand that there is a teacher's strike next Tuesday, however Chillingham Public School will be open and operational as usual.

There has been a report of headlice in the school community. Please check and treat you child/ren.

School Banking update from Commonwealth Bank

For 90 years, our School Banking program has helped children learn about money, reinforced the importance of regular savings and provided structure for parents to support their children to save.

Though the program continues to have strong support from schools, parents and teachers, recent decisions by some state and territory governments because of a review by the corporate regulator mean we are unable to continue providing programs in schools, and we have had to make a difficult decision to close our School Banking program for all government and non-government schools across the country.

Our School Banking program was established in 1931 at a time when having a bank account was not commonplace, and since then we have helped more than 15 million Australians take their first financial steps. This would not have been possible without the wonderful support we have received from schools like yours, including all the parents and volunteers, and for this we are deeply grateful. Thank you.

Even though this is a sad time, School Banking has taught so many young Australians, past and present, the value of money and we believe this should be celebrated. We have created a place for you to share your stories, fondest memories and lessons learnt through the program. To share your story and access our financial education resources, please visit commbank.com.au/schoolbanking

Even though the CommBank School Banking program will not be returning to your school after this year, you can continue to make deposits into your child's Youthsaver account through online transfers or at any CommBank branch. If you need further information please phone 132 221 or visit your local CommBank branch.

My name is Megan and I have been a hairdresser for over 20 years. I set up my salon here in Chillingham after selling my business at Tweed Heads which I owned for over 10 years. Now that all my children are at school I feel it's time for me to expand my clientele, I offer a professional friendly service in a private air conditioned room. I use only industry professional products, with my passion being hairdressing. I look forward to seeing you soon.
