Success through Teamwork

## WELCOME – KINDIES 2023

On Tuesday, parents, staff and students welcomed our new kindergarten students and their families over a cuppa at recess. It was lovely to just relax and chat while the children played.

Yesterday the new kindergarten students came for the morning session and created some 'books' to take home and read with their families. The current Kindergarten and some Year 1 students helped them with these tasks. Following this great work, they were ready for a snack, followed by a play with the whole school. Parents, you have much to be proud of with these wonderful little people, they settled beautifully, listened well and confidently tackled the activities presented to them. Awesome first day!

During the next two visits, they will explore some science and technology activities and tackle the outdoor play areas and learning spaces.

We look forward to seeing you at 10:00am next Wednesday 2 November.
