VISION STATEMENT

Our students are happy, literate lifelong learners. We empower them with the knowledge, skills and confidence enabling them to make a positive contribution to society. Chillingham Public School is a great school. Join us.

From the Principal's desk

We are already halfway through the last term of this year. 🍷

Last Friday was a great fun day! The students and teachers thoroughly enjoyed their acrobatics time. The students' behaviour was exceptional – thank you students and thank you parents for instilling manners and respect in your children. We received lots of compliments from the staff at the Circus Arts on the students' behaviour. Thank you also to all the teachers involved.

Yesterday was our last Kindy orientation day. I am very confident our new kindies will be right at home here next year! Next week's orientation **Wednesday 16 November** is the **parent orientation** – we will give you all the information you and your child will need to start school in 2023 and answer any questions you may have.

Yesterday, Wednesday, we had a visit from the Police Liaison Officers who talked to the Year 5 and 6 students. A reports and photos will be in next week's newsletter.

The SRC raised \$60 with their ice-cream fundraiser yesterday. Thanks for your support, everyone.

Tomorrow, Friday 11 November, we will be having a Remembrance Day assembly at 10.45am if anyone would like to attend.

Another date for your diary **Wednesday 30 November – Fun Day** (special activity here at school)

COVID – 19 update

NSW Health recently advised that we are already starting to see a rise in COVID-19 transmissions within the community of NSW, with a peak of cases expected in early December.

The Department of Education's COVID-smart measures continue to be in place and are vital in allowing us to keep our schools operational while prioritising student and staff wellbeing. These measures include:

- staying home if unwell and/or showing any symptoms
- using rapid antigen tests (RATs) when showing symptoms or exposed to COVID-19

It has been recommended that schools send home rapid antigen kits to each family. You will find your family's kits in your eldest child's bag.

More from Byron Arts Circus

Elorah, Mahalia and Parks thought that the flying trapeze was the best because it was the scariest, but the most fun when you land on the big net! Eliana also found that her cheeks got rosy after the flying trapeze. Peppa thought going up the wobbly ladder was the scariest but once you got up there it looked even higher than it did from the ground. Dottie was extra careful going up the wobbly ladder and her tummy didn't really like flying through the air! Emmet really enjoyed flying through the air, too. Chad felt like he was going to fall when he was reaching out for the trapeze - it was soooo scary!

Thank you Mrs Roach, for taking us to the Circus Arts it was really great fun. Oliver

Nellie and Will said, "The silks were the most fun", but Jarrah and Cooper thought that the tunnel was the most fun. Blu loved doing roly-poly jumps in the air on the trampoline.

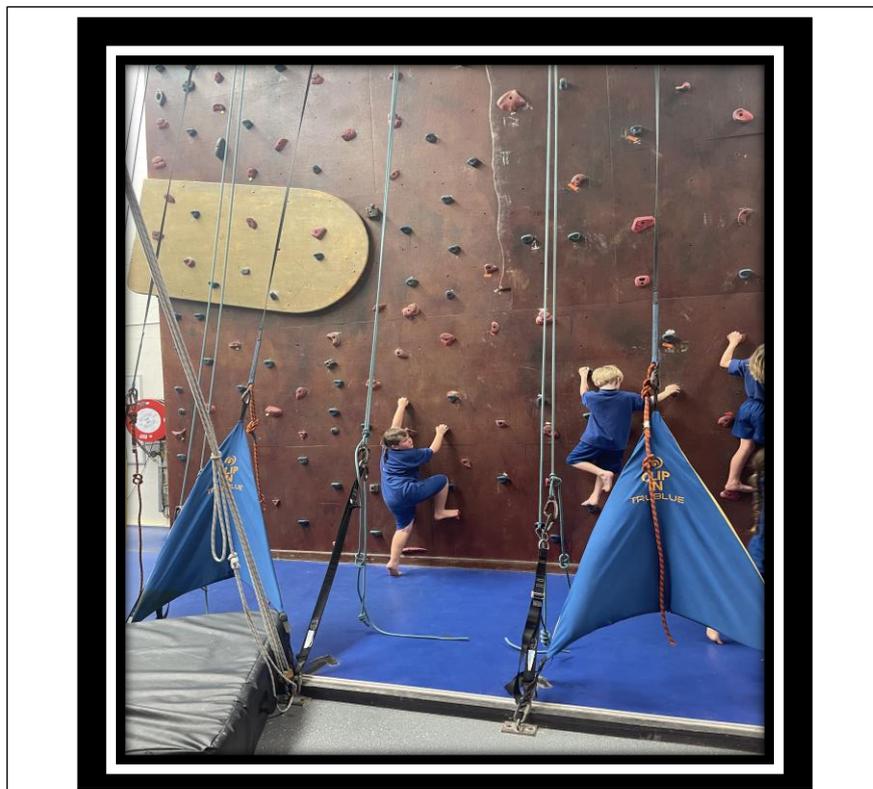

Mrs Mason looked like she was diving into the sea from the trapeze while Ms Robinson fell flat on her face,! They were so brave, just like Mahalia who was first to go on the trapeze..

Ethan liked swinging from one banana to the other! Zoe loved being up so high and looking down on everything.

“The rock climbing was high, and I fell off lots of times, but I liked it the most!” Riley said. Vada thought the Ninja course was challenging and scary because at the swing you were hanging upside-down, and it was really difficult to pull yourself up.
