Success through Teamwork

'Book Tasting'

Recently, Year 3-6 students were extremely excited when they entered the Library and found it was transformed into a restaurant. Placemats and menus, tablecloths, cafe music playing and a selection of books to 'taste'.

Students started at one genre table and rotated through all four tables during the event. They selected a couple of books on each table and proceeded to answer a few questions on the back of their menus while they explored different literary genres. They were able to share their feelings and thoughts about their books at their table group.

It was a wonderful way to get the children engaged in reading and familiarising themselves with a variety of genres. It was lovely to hear the comments during the event on how much fun it was to 'taste' the books and see how excited they were at the end of the event to borrow some of the books that they 'tasted'. From the Principal's desk

Summer has presented itself this week.

We are getting to the busy end of term and each week we have something happening.

Yesterday we enjoyed our Kindy Parent orientation – thank you to all those who came along. We look forward to working alongside you in 2023.

Tomorrow, Friday 18th, the students in K/1/2 will be having a visit from the Tissue Fairy.

Next **Thursday, 24 Novemeber**, is our annual school disco. This year we get to move it back to the classroom which is exciting. Please see the flyer attached. The theme is 'Country Western Outback' which gives the students a great dress range. Students are to be dropped at school at 5pm and collected at 7.30pm. This is a students only disco, sorry parents you're not invited. PLEASE NOTE all students need to wear closed in shoes please.

There is an important letter attached to this newsletter for all parents. If you do not receive the letter or you have any concerns or questions please phone the school.

Here's our report about our Police Liaison Officer's visit. Last Wednesday, Year 5/6 students were lucky to receive a visit from two police officers. They spoke with our students about being safe and respectful across different settings, including online. Some of the topics included in the presentation included cyber related issues, keeping safe online and other issues young people encounter. They also demonstrated how handcuffs work on a suspected criminal and what protective gear they must wear each day. The students couldn't believe how heavy their protective vests were when they were passed around to hold.

We have ordered more RAPID testing kits and will send them home when they arrive. If you require more know please let the school know, as we have a few, and we will send more home if you need them.

My name is Megan and I have been a hairdresser for over 20 years. I set up my salon here in Chillingham after selling my business at Tweed Heads which I owned for over 10 years.

Now that all my children are at school I feel it's time for me to expand my clientele, I offer a professional friendly service in a private air conditioned room.

I use only industry professional products, with my passion being hairdressing, I look forward to seeing you soon.
