

# Chillingham Public School

Success through Teamwork

## Gardening is fun!

Thank you Mrs Darragh for cleaning our garden and for the yummy carrot mini muffins you made us.

The students are now spending time in the garden... watering and weeding. We'd love some parent volunteers to come along and help the students keep the garden going.

### VISION STATEMENT

Our students are happy, literate lifelong learners. We empower them with the knowledge, skills and confidence enabling them to make a positive contribution to society.

Chillingham Public School is a great school. Join us.

## From the Principal's desk...or Mrs Ward's desk

I'm sure Mrs Roach is thinking about us all!

I would like to say a huge thank you to Nicole for cleaning up our school vege patch – not only that Nicole then came to school on Monday with carrot mini muffins, she'd made using the carrots she picked from the garden for all the students and staff. It is greatly appreciated Nicole, thank you again. If there are any parents out there who love to garden, please let us know – since Mrs Harper is not here the garden is going a little feral.

NAPLAN testing will commence **next week** and finish the following week for students in years 3 and 5. If you have any questions or concerns, please contact the school.

There is great excitement building in school as we get closer to our Brisbane Excursion on **Tuesday 28 March!** Attached to the newsletter is the permission note and medical form for the day. Please complete and return before Friday 17 March. Here are some key points you need to know.

- The bus is leaving school at **7.30am** sharp -we will NOT be able to wait for any late comers.
- Students need to be dressed in school uniform (no hat required)
- Students need to bring their recess and lunch.
- The bus will return approximately 5.30pm (NOTE this may vary depending on traffic – please be here at 5pm in case)

Please find attached information regarding ethics. We have a new ethics teacher joining us shortly, she will be teaching students in K – 2.

The school is purchasing headphones for all students. They are becoming part of all school-based activities and we feel that each student would benefit from having them. Each student will have their headphones kept in the classroom for use. The headphones will stay with the student until such time they leave the school. The expense, \$9.60, will be added to your school needs account. If you'd prefer to pay separately, please let the school know.

**REPEAT** I'd like to ask parents who have children attending the Before and After School Care Centre to send a note with the days your children are attending, as well as, if it's in the morning, afternoons, or both.

**BOOK CLUB** – orders need to be in tomorrow, 10 March, please.

## Canteen / P&C Notice Board

### P&C Association:

- It won't be long before Easter is here – we will be having our annual Easter Raffle. We ask that all families donate an item towards the raffle (there are plenty of Easter eggs in the shop already). Tickets will go home in a few weeks.
- Before we know it, Mother Day (13 May) will be here too. We ask all families to donate an item towards a stall for the students. Donations can be sent in at any time.
- The P&C sets a family levy which is payable during first term. This levy contributes to Association Fees and Insurances. The amount of the levy is decided at the Annual General Meeting each year. The levy has been left at \$30 per family for 2023.
