

Tyalgum Ridge Retreat

Despite the heat, a fabulous day was had by all as we explored the exquisite surroundings of Tyalgum Ridge Retreat. A stunning waterfall hike, team building activities, archery and the adrenaline inducing high ropes course were just some of the highlights. These smiles speak volumes!

Library Revamp

A HUGE thank you to the P&C who have kindly funded the first phase of our Library revamp. The changes look fantastic, the students love the 'new space' and we are excited to keep moving forward with the project as more resources become available. Pop in for a 'squiz' when you next walk passed. You will be impressed!

Tyalgum Ridge Retreat Highlights

Principal's Desk

The remainder of Term 4 is jam packed with more student wellbeing activities and just as importantly curriculum delivery and classroom work. Teachers are mindful that students can become tired more easily at this time of the year, especially with our warmer weather on its way. I would like to ask parents to support staff by ensuring students attend school every day up until the end of the year, to help prevent having to re-visit lessons and take up valuable time that could be spent doing more exciting activities. Thank you in advance.

We farewelled Ms Brett this week, who is taking maternity leave to have her baby boy. On behalf of the school community, we wish Ms & Mr Brett a very safe and joyous arrival of their lovely bundle of joy. We cannot wait to meet him and finally find out his name. Now that Mrs Brett is on leave, Mrs Mason will be K/1/2's class teacher until the end of the year.

It has been lovely to welcome back Mrs Ward this term who has been spending time in all classrooms, particularly Yr3-6. It's just like she never left.

Watching the new Kindergarten students in the K-2 classroom and playground always brings joy to see such small faces in bewilderment. They can't wait to see their 'big school friends' and they have even started wearing their 'big school uniforms.' Thank you to all students who made them feel welcome and safe while visiting 'big school.'

AFL coaching clinic will commence tomorrow. All students will participate in their respective age group. The clinic operates within the routine school day and is free to all students, thank you to Sporting Schools Australia who kindly sponsor these educational sporting events, allowing students to learn new skills and to try out different sports they might not have known about or had the means to play outside of school.

Information will be shared in the upcoming newsletters regarding end of year events, once they have been finalised. Please ensure you are taking the time to read the newsletter every week to ensure you are aware of event/activity dates and times that are coming up. Teachers frequently remind students of any changes to their usual school day; however, it can become a lot for them to remember, especially the younger students which sometimes turns into FOMO ~ fear of missing out. This is also another reason why attendance is so important. Additionally, the newsletter is also available electronically by visiting the school website:

<https://chillingha-p.schools.nsw.gov.au/> . It is also loaded onto your parent portal & it can be emailed to you for additional convenience while you are on the go and don't always have the printed version on hand. If you would like to be added to the newsletter email list, please see Ms Crocker in the office. NOTE: you will still receive a paper copy each week regardless.

Congratulations to Sapphire, Eden, Kira, Brett and Daniela who all successfully graded at their Taekwondo meet last week.

Regards

Next Meeting: Tomorrow ~ Friday 15 November 2pm

Please come along and share your ideas for the rest of the term and 2025 ~ all welcome.

Canteen News: The canteen requires family volunteers to maintain consistent operating times. Each week we require 1 or 2 volunteers to prepare & serve food, along with 2 volunteers to bake and deliver home-made treats to be sold. Please consider having a turn to see how much excitement canteen brings to all the students!!

Thank you ~ Erika for operating the canteen tomorrow 😊

Did you know?

Eating a healthy breakfast means your child will have enough energy to concentrate, learn and play.

Try these breakfast tips:

- Encourage your child to wake up with enough time to have breakfast every day.
- Aim to include some grains (cereal or toast), colour (fruit/veggies) and protein (e.g dairy, eggs, baked beans or nuts).
- Choose some convenient and healthy breakfast options that your child enjoys.
