

Parent Assembly

11 April 2024

Thank you to all the parents and grandparents who came along to our assembly on Monday. It was so wonderful to have you here and the students took great pleasure in showcasing their work and usual assembly routine. We look forward to seeing you all next term for our next 'Open Assembly'.

Cross Country

Finally, the weather God's were on our side and the students were able to run as families spectated and cheered from the sidelines. Thank you for your patience and understanding after postponing from last week. Safety of the students, staff and spectators will always be our priority.

Soccer Fun Day

Students in Years 3/4/5/6 had a fantastic time at the Soccer Fun Day at Burringbar Public School yesterday. All students played hard and laughed & smiled harder! It's always great to see students interacting with students from other schools in different environments. Congratulations to Luke and Chad who were awarded a certificate for their amazing sportsmanship on the day. Thank you to Mr Blacklock for helping coach & referee some of the matches. The K/1/2 students also had their own fun learning new soccer skills and playing for hours with Coach Mark (visiting coach through Sporting Schools Australia). These fun days are always a highlight for the

students and provide fond memories for years to come.

From the Principal's desk

The Year 5/6 students will be commencing our ANZAC ceremony at 10.45am in the Blue Room tomorrow morning. Everyone is welcome to attend.

ANZAC Day falls during the holiday period. We would like to encourage students from our school to march with Ms Brett who will meet the students at the Post Office (Main St) in Murwillumbah at 10.00. They will march with the other schools to the cenotaph outside the Council Office (Murwillumbah St) – parents will need to collect children from there after the ceremony. Students will need to be in full school uniform, including their school hat.

Congratulations again to all students for their participation in the cross country and well done to the district qualifiers. Notes for this will be sent home soon.

Six students have been selected to attend the first rehearsal of The Small Schools Band for 2024 at Stokers Siding in Week 2 Term 2. The band has been expanded this year and includes students from Chillingham, Burringbar, Dungay, Crabbes Creek and Stokers Siding Schools as well as some music students from the MLC High School. Well done to the students who have been selected. As this is an ongoing program there is still opportunity for other students to earn their place at the next rehearsal. Notes for this will be going home with relevant students today.

The holiday period is a perfect opportunity to complete your registration for the Premiers Reading Challenge, start reading and don't forget to log all the books you read. Further information can be found online www.premiersreadingchallenge.nsw.edu.au.

We are all looking forward to seeing Mrs Roach and Ms Brett after the break and thank Ms Houlahan for stepping in and covering the K/1/2 class. I would like to wish everyone a safe, relaxing, restful and enjoyable holiday. Please take care on the roads if you are travelling and see you all day 1 of Term 2 ~ Tuesday 30 April.

A note from Ms Roach

It was with absolute pride that I watched our 2 Chillingham teams battle it out at the soccer fun day yesterday. They never gave up during the 5 games, even though they were dead on their feet towards the end.

They played teams from larger small schools and held their own throughout the games. I was so proud to see them working as a team and passing to each other like the Socceroos and the Matildas. They fought the good fight and I'm sure they slept well last night.

Congratulations Luke and Chad for receiving 'Amazing Sportsmanship' certificates. Luke and Chad both showed resilience and provided motivation for their team with encouragement for all players on their teams. ~ Ms Roach
