

8 May 2025 ~ Week 2

Who's Who in K12?

Have you noticed our portraits on the door, welcoming you to K12? You would have also noticed that they are not named. This is so everyone has a chance to *GUESS* whose portrait it is! They have been a little mysterious about revealing their identity just yet! We'll be naming the portraits in the next few weeks. During our Visual Art lessons, we have been looking at the proportions of facial features, often surprised at the regularity between our faces.

Australian animals are our focus this term as part of an English unit of study. Keep your eyes peeled for your Family portraits, which will be a sight to behold, I can assure you! We'll invite you to the gallery for a viewing on completion of these masterpieces. As you would have noticed, there are plenty of budding artists in K12.

A quick reminder that the **Mother's Day stall** will be held tomorrow, **Friday 9 May**. All students can bring \$5 to school to purchase a special gift for their Mum.

REPEAT: P&C Colour Fun-Run will be held on **Friday 16 May (Week 3) at 3:30pm** at the Chillingham Oval. All parents will be required to supervise their own child/ren for the entirety of the event. Teachers will escort the students to the oval where parents will then take full responsibility for their own child/ren for the remainder of the event. Should staff stay to spectate, they will NOT act as a supervisor for students. Siblings of current enrolled students are welcome to participate in the obstacle course with full parent supervision. Please ensure the participation expression of interest form has been completed and returned to the office no later than Wednesday 14 May. Students who do not return the form will NOT be allowed to participate due to compulsory insurance and health and safety regulations. Please don't forget to ask family and friends for sponsorship to help raise funds for the P&C. Forms were sent home last term. If you require an additional form, please contact the office.

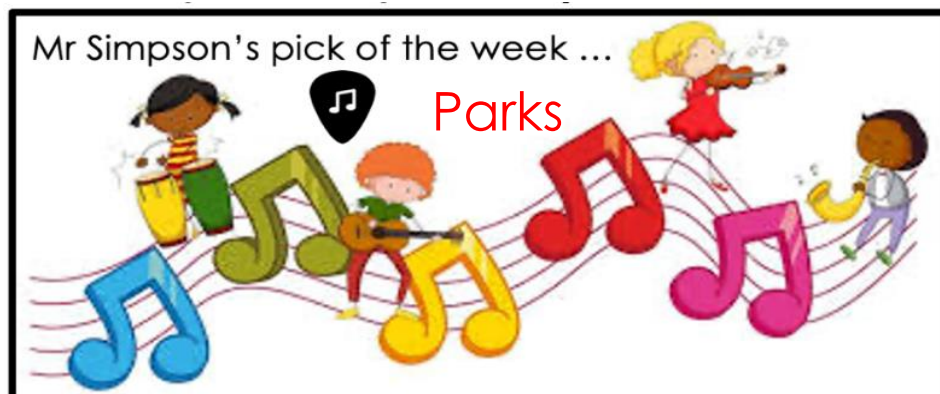

Nominations for boys and girls football (soccer) to attend District trials close on **Monday 19 May**. If your child is in Years 5 or 6, is confident and competent and would like to attend the trials on **Tuesday 27 May** please contact the office for a consent form.

On Friday 23 May (Week 4) we will be having our school athletics carnival at the Chillingham Community Sporting Oval. We will be walking down to the oval and will start at 10am sharp. We would love to see family and friends there ready to cheer us on. Please note, we will be completing running and throwing events at the oval; then returning to school to eat and complete long jump. The canteen may be offering a slightly different menu for the day (further details to come). Please bring a chair or rug as the ground may be wet. Please remind your child/ren to have a huge breakfast, wear their house colours (green for Cedar and red for Beantree) and bring a full water bottle. Please don't bring your dogs as this is a school activity.

Wishing all our mums a very special and relaxing Mother's Day on Sunday. I hope you feel appreciated and celebrated for all that you do!

Regards
