

Small Schools Athletics Carnival

What a fantastic two days of competition, fun and school spirit at the Tweed Community of Small Schools Athletics Carnival! Chillingham Public School students did an exceptional job representing our school with pride, enthusiasm and resilience.

A huge **congratulations to all our students** who participated - you demonstrated great grit, sportsmanship and teamwork throughout the day. We're especially proud to announce that **our relay team took out the win**, a fantastic achievement that capped off a brilliant day of competition. Events like these are about more than just results—they're a valuable opportunity for students to challenge themselves, support their peers and create lasting memories.

Thank you to all the **parents and carers** who helped get students to the carnival and cheered from the sidelines. Your support means a lot and helps make these events so special.

The **District Athletics Carnival** will take place in **Term 3**, and we'll let those students who qualify know as soon as possible. Well done again to all involved—it was a great experience for everyone!

School Photos have been scheduled for **Wednesday 25 June (next week)** from 9:30, apologies for the short notice. Mrs Crocker will be making contact shortly to confirm orders for each family. Please ensure children arrive to school on time, so they don't miss out.

REPEAT: In Term 2, we are offering our students the opportunity to participate in the NSW Public Schools Student Survey. The survey gives students the chance to share their thoughts and feelings about life at school, including questions about their engagement, learning experiences and wellbeing at school.

Hearing directly from our students will help the Department of Education understand what's working well and where improvements can be made to NSW schools. The survey is confidential, takes around 10 to 15 minutes to complete, and will be conducted online during school hours.

Participation is voluntary. If you prefer your child not to participate, please complete the opt-out consent form, which will be sent home, and return it to the school. Further information about the survey is available at <https://education.nsw.gov.au/npss>

Date claimer: Don't forget to pop our Term 2 special open assembly in your calendars for the last Monday of the term (30 June). At this assembly, K/1/2 students will be presenting the Acknowledgement to Country as well a little play based on the book "Hattie and the Fox". Our SRC students will also be presenting information in recognition of NAIDOC week which falls during the school holidays. And of course, we will be having our usual 'Term Wrap-up' showing all the terms highlights. See you there.

It was wonderful to welcome our visitors from Chilligum Preschool this week. The K/1/2s had a delightful time playing and showing the preschoolers what primary school is like. The Kindergarten and Year 1 students will visit the pre-school next week for our last visit of the term.

Regards
Vicki Roach ~ Principal

Building positive attendance habits ~ What you can do.

You can help build positive attendance habits by:

- Helping your child learn the importance of punctuality and routine.
- Making sure your child arrives on time from the start of the school day, ready to take part.
- Reducing disruption to learning where you can, by planning any necessary appointments outside of school time.
- Contact the school to explain any absences (within 7 days of the first day of absence).
- Making sure any holidays or medical appointments are taken outside of school hours.
- Work with the school to encourage and support regular attendance.

Reasons for missing school ~ Being absent, late or leaving early.

- If your child misses school for any reason, please contact the school within 7 days to explain why.
- If your child needs to arrive late or leave early, please notify the school.
- If you have difficulty getting your child to school on time every day, please also contact the school. School staff are here to support you and your child to help them come to school each day.
