

## PDHPE Update: Field Hockey

Term 2 / Week 9 ~ 26.06.2025

We're thrilled to share that our students have been enjoying some fantastic sporting experiences this term!

Following our successful sessions with Little Athletics Tweed earlier in the term, we're now delighted to welcome coaches Fi and Liv from Casuarina Hockey. They've been introducing our students to the fast-paced, fun world of field hockey.

With coaches, our students learn new skills, practise teamwork and develop their coordination through engaging, hands-on activities. Fi and Liv bring great energy, expertise and a love of the game that's inspiring our students to get active and give it a go.

We'd like to extend a special thank you to Sporting Schools Australia for their generous grant, which has made these coaching sessions possible. Their support allows us to provide our students with access to top-notch coaching and resources, giving them the opportunity to experience a wide range of sports.

To top it all off, our Week 10 Rewards Day will be held at Hockey Tweed, where students will get the exciting opportunity to play on their full-size professional astroturf field—a fantastic way to wrap up the term and put their new skills to the test!

## Principal's Desk

On behalf of the students and staff, I would like to extend my gratitude to Atreides for his amazing work taking all the beautiful photos yesterday. With his support it allows the school to keep the costs to a minimum. Thank you, Atreides we really appreciate you.

There are some minor works being carried out on the drinking water facilities, please continue to send full water bottles to school each day, until the situation has been rectified.

Student statement of accounts for Term 2 are attached to this newsletter, including the student rewards charge which is required to be paid prior to students attending on Wednesday. Overall, the students have done a wonderful job accumulating points to reduce their individual cost. Please speak to Mrs Crocker if you have any concerns relating to your family statement.

This week, our students in Years 3-6 participated in the NSW Public Schools Student Survey. The survey gives students the chance to share their thoughts and feelings about life at school, including questions about their engagement, learning experiences and wellbeing at school. Hearing directly from our students will help the Department of Education understand what's working well and where improvements can be made to NSW schools.

### Letter from Principal

Dear Parents

As we head into the end of the term, it remains important that your child attends school every single day. School is the best place for students to learn as well as to build social connections and life-long skills.

We understand that families are eager to see and reconnect with loved ones and take a well-deserved break, or simply avoid travelling during peak times, but please remember that planned travel should only be taken during scheduled school holidays.

Students should be at school every day during school terms, until the end of the term, unless they are sick or are absent for a justified reason.

Consistently going to school has countless benefits – from learning, to creating social connections and improving wellbeing through access to support and quality education.

Our staff are here to support you and your child in coming to school every day. If you have any concerns or questions please talk to me, the front office or your class teacher.

Thank you for working with us to support regular attendance, we look forward to a successful and enjoyable end of term.

Regards  
Vicki Roach  
Principal
